

DISCO CORPORATION

This is a multi-site certificate, additional site(s) are listed on the next page(s)

4010-1, Gohara-cho, Kure-shi, Hiroshima, 737-0161, Japan

Bureau Veritas Certification Holding SAS -UK Branch certifies that the Management System of the above organisation has been audited and found to be in accordance with the requirements of the management system standards detailed below

ISO14001:2015, JIS Q 14001:2015

Scope of certification

- Design / development, manufacturing, installation / maintenance services and supply of service parts of precision processing machines and systems for cutting, grinding and polishing of silicon wafers and other materials.
- Design / development and manufacturing of precision processing tools for cutting, grinding and polishing of silicon wafers and other materials.
- Manufacturing of functional consumables (assisting materials) for cutting, grinding and polishing of silicon wafers and other materials.
- Design / development and manufacturing of abrasive cut-off wheels.
- Supply of precision processing services.

Original cycle start date: **27 FEBRUARY 1998**

Expiry date of previous cycle: **N/A**

Recertification Audit date: **15 JULY 2022**

Recertification cycle start date: **26 JULY 2022**

Subject to the continued satisfactory operation of the organisation's Management System, this certificate expires on: **09 AUGUST 2025**

Certificate No. **4724306**

Version: **3.0**

Revision date: **05 AUGUST 2024**

0008

Certification body address: **5th Floor, 66 Prescot Street, London, E1 8HG, United Kingdom**

Local office: Bureau Veritas Japan Co., Ltd. Certification Division

KRC bldg. 8F, 18, Nihon-odori, Naka-ku, Yokohama, 231-0021, Japan

Further clarifications regarding the scope of this certificate and the applicability of the management system requirements may be obtained by consulting the organisation.
